

SNO PRO

COMMERCIAL GRADE
SNOW BROOM

Clear the way for sales

The SnoPro broom enables dealerships to clear hundreds of vehicles completely, quickly and without scratching paint or damaging accessories. Managers cringe at the thought of a snowstorm. They lose valuable selling time during and after a storm while vehicles are hidden beneath a blanket of snow. These managers know how important it is to uncover vehicles to meet sales goals.

Quick and safe removal

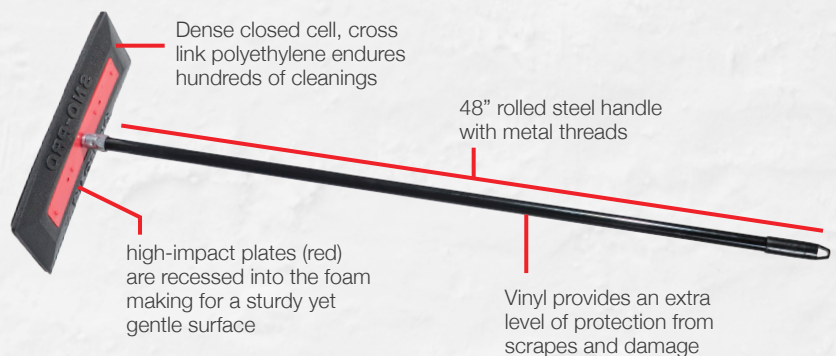

- Quickly and safely remove snow from vehicles, awnings, trailers, solar panels, spa covers, and other delicate surfaces without scratching the paint, leaving scuff marks, or harming the finish or fabric

American-made products

- All of our products are made and assembled in the U.S.
- 20+ years of satisfied customers and proven success for companies and consumers

Private labeling and merchandising

- Our SnoBroom can be private labeled and with an innovative, memorable and quality design they make the perfect product to promote your business
